I am a highly motivated and detail-oriented IT student. With a proven track record of strong communication and analytical skills, I am adept at quickly learning new technologies. I thrive in team environments and excel at problem-solving. My passion for technology drives me to seek challenging and dynamic work opportunities, where I can contribute effectively to the industry's growth and innovation.

PROJECT

PORTFOLIO <http://bit.ly/47qHZBs>

HTML | CSS | JavaScript | React | Tailwind

- This website is responsive. It can be used on any device but use a Desktop for the best experience.
- This website is all about me and my latest projects.

SIMPLETODOAPP <https://bit.ly/3CEJuBR>

HTML | CSS | Tailwind | MERN

- Built a task management application with a clean and intuitive UI for efficient to-do list organization.
- Implemented a full-stack MERN architecture, allowing users to add, update, and delete tasks seamlessly.

PILI-PINAS <https://bit.ly/49Ry6QV>

HTML | CSS | Tailwind | MERN

- Developed an interactive website dedicated to simplifying travel decisions within the Philippines.
- Features a user-friendly interface allowing travelers to explore detailed insights about each location

PHOTORANK <https://bit.ly/3usn3vc>

HTML | CSS | JavaScript | React | Tailwind

- Developed and deployed a dynamic static website catering to photography enthusiasts, offering a platform for showcasing and ranking photos.
